

Welcome to Year 4 Dolphins' Class

Mrs Cawthorne

Introducing your teacher: Mrs Cawthorne

About Mrs Cawthorne

I love reading and writing! I am always reading books at home, or writing stories. I used to do aerial acrobatics – I would hang upside down off of hoops and trapezes!

Fun fact:

I love history! I trained to be an archaeologist (they dig up things from the past), so if you are interested in history, come chat to me about it!

What your classroom looks like:

What to look forward to:

- Learning about the Ancient Egyptians, The Tudors and the British Civil War in History.
- Discovering about the local environment, sustainability and comparing deserts and rainforests in Geography.
- Reading lots of amazing books together!
- Sharing lots of languages - we love languages in Dolphins class!
- Celebrating and having fun with times tables!
