

Welcome to Year 4 Porpoises' Class

Mrs Priddis

Mr O'Connor

Mrs Durovic

Introducing your teachers:
Mrs Priddis and Mr O'Connor
Support staff: Mrs Durovic

About Mrs Priddis

I love teaching and am really excited about teaching Porpoises next year! I live in a house full of animals (dogs, cats, guinea pigs and fish!) and love nothing more than spending time at the beach or on Exmoor, walking the dogs.

Fun fact: I have appeared on television twice!

About Mr O'Connor

I'm so excited to be part of Southmead and to teach Porpoises next year! Like Mrs Priddis, I'm a huge animal lover and have a golden retriever called Luna. I enjoy spending time at the beach, swimming in the sea and watching football.

Fun fact: I have climbed a volcano!

What your classroom looks like:

What to look forward to:

In Geography:

- Deserts and Rainforests
- Sustainability
- Local Area Studies

In History:

- Ancient Egypt
- Civil War in England

In Science:

- Electricity
- Human Bodies
- Food Chains
- States of Matter
- Sound
